

# Red House Named a 2023 Top US B2B Marketing Agency

The firm was recognized by B2B Marketing in their recently released “The B2B Marketing US Agencies Benchmarking Report 2023.”

ATLANTA – June 7, 2023 – Red House, an award-winning marketing firm celebrating its 22nd year, has been named a top agency by B2B Marketing in their recently released “The B2B Marketing US Agencies Benchmarking Report 2023.”

The report recognizes the top B2B agencies based on capabilities, financial performance and employee headcount, and serves as a comprehensive guide for B2B marketers who are evaluating the agency landscape and potential partners.

The agency credits twenty plus years of results, driven by strategy that encompasses marketing, technology and clients’ unique sales goals, as the primary reason leading brands choose the firm. “As marketing has shifted and changed, so have we. And it’s this attitude of adaptation and adoption that continues to give us the edge,” said Dan Hansen, a senior partner with the firm.

The benchmarking report also includes an article by Red House, which explores the significance and role of artificial intelligence (AI) for B2B marketers who want to thrive in today’s digital-first world.
